Experience the charm of the Natural Edge collection, a diverse selection of shaker and in-frame effect wooden doors, each with it's distinct character.

Thoughtfully designed solid wood drawers and accessories seamlessly integrate into your kitchen. The warmth and natural beauty of solid wood paired with the precision of modern design create a harmonious blend between rustic craftsmanship and modern functionality.

A standout feature of Natural Edge is the extensive palette of paint-to-order options available for wooden doors. Whether you are drawn to subtle neutrals, modern pastels, or warm and rustic shades, Natural Edge offers a rich spectrum of colours for you to choose from. This collection offers a 10-year guarantee.

Paint to Order

Prep, Prime & Paint.

We offer a wide range of highly pigmented paints that are rich in colour, act as a natural sealant for added longevity and are easily wipeable, making them perfect for everyday upkeep.

Explore our paint-to-order options and browse our extensive palette to find the colour that's just right for you. Ask our expert designers for advice on this option and they'll be happy to help you in store.

If you choose our Paint to Order service, your new kitchen will take a little longer to manufacture and the lead time on your new kitchen will be 6 weeks from the time the order is placed.
